MEMBER OF THE STATE ASSEMBLY, 2nd DISTRICT

CHARLIE SCHAUPP, REPUBLICAN **Age: 53**
Occupation: Farmer – Marine Corps Reserve Officer

As Lieutenant Colonel in the Marine Corps Reserve, I served in combat operations in Iraq and in Desert Storm. I have proudly fought for my country leading troops into battle in Kuwait in 1991 and fighting terrorism in Fallujah, Iraq in 2004.

Now, it's time to lead new fights – I will fight to secure America's border to ensure that illegal immigrants and terrorists can't walk into the U.S. I will also fight big spenders and bring fiscal responsibility back to Sacramento. Fighting illegal immigration and the $10 billion a year it costs California is also the first step toward getting California's budget under control.

I'm not a professional politician and have no use for liberals who waste our tax dollars. Rather, I'm a Reagan Republican who will stand up to corruption and waste and oppose new taxes. I'm a 4th generation farmer who will protect Northern California's water resources from Southern California politicians. As a graduate of Chico State and former school board member, I will work to ensure all students have access to a quality education and every student becomes proficient in English.

I will reject the failed leadership of Sacramento's professional political establishment and the politics of the past. California needs real conservatives who will fight for our tax dollars and do what it takes to secure the border, stop excessive spending, oppose higher taxes and cut government waste. You can count on me to fight for what's right - just as I did in the Marines. Visit www.charlieschaupp.com
