## ...defending our country.

**Excerpts from Nov. 4, 2004 article in Yolo County's Daily Democrat. See full text under "News" at [www.Charlie4Assembly.com](http://www.Charlie4Assembly.com)**

*"Lifelong Yolo County resident Lt. Col. Charlie Schaupp has been in Fallujah for seven months [as a member of the First Marine Expeditionary Force]. Where rockets and mortars fall from the sky, Schaupp dreams of what used to be chores: mowing the lawn in Esparto, grocery shopping, barbecuing..."*

*"The thing that has made the biggest impression on me is the courage, determination and guts of these young men and women in the Marine Corps and Army... They are not at all intimidated by the attacks or attempts to instill fear. The leadership shown by our young noncommissioned officers in leading their troops against a ruthless adversary has been awe-inspiring and made me proud to be an American."*

## ...and protecting our way of life.

*"My experience here [in Fallujah] has reminded me to cherish the little joys of life—like a trip to the store, a day with family, a visit with friends or just being able to mow my own lawn."*

***Elect a leader with the courage to fight against special interest groups who want to line their wallets with our community's resources.***
